What is a Luminary?

A Luminary is a candle set into a white paper bag filled with sand. When the candle is lit, it illuminates the area around it radiating a soft body of light. Luminaries are dedicated to a loved one or a friend who has either survived or lost the battle to cancer. Luminaries may also be dedicated to someone who has witnessed a loved one or friend who has survived or lost the battle to cancer.

For more information on the Relay For Life and the Luminary Ceremony visit our website at

Log on to our website: www.wcrelay.org

You are welcome to purchase a rose to be placed next to your luminary. Please include an additional \$3 per rose.

**PLEASE DO NOT MAIL THIS FORM AFTER JULY 31ST
LUMINARY DONATIONS WILL ALSO BE ACCEPTED UNTIL 8:00 PM AUG. 3RD AT THE RELAY**
